

European Iron Academy 2016

Scandic Berlin Potsdamer Platz Hotel

12–13 September 2016

Monday 12th September 2016

Time	Topic	Speaker(s)
12:45 – 14:50 🕒 125 min	<i>Plenary Session: Global burden of iron deficiency and its impact in cardiology, gastroenterology and nephrology</i>	
🕒 05 min	Welcome	S. Anker (on behalf of EIA Steering Committee)
🕒 10 min	Introduction, including an overview of the global burden of iron deficiency	S. Anker
🕒 20 min	Burden, prevalence and impact of iron deficiency: perspectives from cardiology	P. Ponikowski
🕒 20 min	Burden, prevalence and impact of iron deficiency: perspectives from gastroenterology	L. Peyrin-Biroulet
🕒 20 min	Burden, prevalence and impact of iron deficiency: perspectives from nephrology	I. Macdougall
🕒 15 min	Meta-analysis on CHF patient data and other key heart failure data	S. Anker
🕒 10 min	Iron deficiency in heart failure: 2016 ESC guidelines update	P. Ponikowski
🕒 25 min	Panel discussion	S. Anker (moderator) S. Keshav I. Macdougall L. Peyrin-Biroulet P. Ponikowski A. Stack
14:50 – 15:15 🕒 25 min	Break	
15:15 – 16:00 🕒 45 min	<i>Meet the expert (lecture-based session with Q&A)</i>	
<i>Delegates to choose 1 of 4 lectures</i>	Metabolism of IV iron complexes	S. Burckhardt
	Safety of iron complexes	I. Macdougall

	Treatment options in iron therapy (IV and oral iron)	S. Keshav
	IV iron as a transfusion-sparing strategy	A. Hofmann and D. Spahn
16:00 – 16:30 🕒 30 min	Coffee break	
16:30 – 17:30 🕒 60 min	<i>Breakout session (interactive clinical case and discussion session)</i>	
<i>Delegates to choose 1 of 6 breakout sessions</i>	Cardiology	S. von Haehling and P. Ponikowski
	Gastroenterology	S. Keshav and L. Peyrin-Biroulet
	Nephrology I (HD-CKD patients)	J. Małyszko and A. Stack
	Nephrology II (NDD-CKD patients)	C. Gaillard and S. Roger
	Haematology	M. Cappellini and A. Taher
	Patient blood management	A. Hofmann and D. Spahn
	Networking Dinner	

Tuesday 13th September 2016

Time	Topic	Speaker(s)
08:30 – 09:35 ⌚ 65 min	<i>Plenary session: Real-world experience of iron therapy in gastrointestinal disease</i>	
⌚ 05 min	Introduction	S. Keshav
⌚ 15 min	RWE vs. clinical trial data in GI patients in the UK: what have we learned?	S. Keshav
⌚ 15 min	Patient vs. physician perspectives of iron deficiency in IBD	S. Danese
⌚ 15 min	The role of EFCCA in understanding patient needs in GI disease	L. Avedano
⌚ 15 min	Panel discussion	S. Keshav (moderator) L. Avedano S. Danese
09:35 – 10:00 ⌚ 25 min	Break	
10:00 – 10:45 ⌚ 45 min	<i>Meet the Expert (reiteration from day 1)</i>	
10:45 – 11:15 ⌚ 30 min	Coffee break	
11:15 – 12:15 ⌚ 60 min	<i>Breakout session (reiteration from day 1)</i>	
12:15 – 13:00 ⌚ 45 min	<i>Plenary session: Key learnings from European Iron Academy 2016</i>	
⌚ 30 min	Panel discussion	I. Macdougall (moderator) S. Keshav S. Danese S. von Haehling P. Ponikowski A. Stack
⌚ 15 min	Meeting summary and close	I. Macdougall (on behalf of EIA Steering Committee)

CKD, chronic kidney disease; EFCCA, European Federation of Crohn's & Ulcerative Colitis Associations; ESC, European Society of Cardiology; GI, gastrointestinal; HD, haemodialysis; IBD, inflammatory bowel diseases; ID, iron deficiency; IV, intravenous; NDD, non-dialysis-dependent; Q&A, question and answer; RWE, real-world evidence.
